**PJS 10th Annual Backpack Giveaway!**

**Our tenth year!**

Saturday, August 8 was a fun-filled day for PJS Employees! They gathered at the PJS corporate office to receive hundreds of backpacks filled with school supplies for their children at the 10th annual Back-To-School Backpack giveaway event. The event was scheduled to start at 8 am, however many employees arrived with their families as early as 7 am to line up and for one of the 650 backpacks that were prepared for the event.

"This is my favorite event of the year. I love to see the kids smiles when they receive their backpacks", says Jose Menjivar, VP of Operations for PJS. In addition to the backpacks, employees and their families enjoyed fun activities for the kids.

We had two photo booths with fun props for back to school pictures. One of the booths featured a hand drawn school bus and instant Polaroid pictures that the children could take with them. The attendees also lined up for face painting while enjoying breakfast tacos, kolaches and donuts. Though not a typical breakfast choice, we could not miss the opportunity to crank up our popcorn machine to accompany the popsicles that were also handed out.

### The Preparation for Back To School Event

The PJS administrative and management team began preparation weeks in advance. The backpack and school supply shopping was just the beginning. Once the items were purchased and delivered to our office the team got together to fill the backpacks with the supplies that correspond to elementary, junior high and high school students. Our backpack assembly line has gotten more efficient every year!

"The level of caring and appreciation for all PJS employees is something very unique that you don't see very often especially of companies of this large of size" says Denisse Mone, Payroll Specialist for PJS and first time attendee.

We received many "Thank yous" from the employees and their kids but the best reward for the management of PJS is seeing everyone come together and have fun!
